Incentive offer valid 11/09/2019 - 12/31/2019. Membership eligibility and account approval required to open a checking account. Member must open new checking account and all qualifying transactions must post within 60 days of account opening in order to receive \$200 incentive. Qualifying transactions are: three Visa Debit Card point of sale transactions (ATM transactions do not qualify), direct deposit transaction or payroll deduction into checking account (minimum \$500 per month), and enrollment plus login to OnlineAccess or MobileAccess+. Incentive will post within one business day of all qualifications being met. Member must be in good standing at time of qualifying transaction to receive incentive. \$200 incentive payout per member; cash incentive subject to 1099 reporting. Offer does not apply to multiple checking accounts, business checking accounts, or members with existing checking accounts. All members are required to open and maintain a minimum \$5 balance in a savings account. Federally insured by NCUA.

For Branch Staff Only:

Manually set memo number 9505 on the checking account at account opening with description: IP Offer.
