Auto loans using an Xceed Financial loan coupon booklet and/or that do not have an automatic payment from an Xceed account will be 0.35% higher than the stated interest rate. Xceed Financial Federal Credit Union is an equal opportunity lender. *You may choose to defer payments on your new auto loan for the first 90 days of the account's opening. Interest will continue to accrue during the months of the deferral and may result in higher total finance charges on your loan. For a refinance or lease buyout, a copy of the current registration and the lien holder information is required, along with any other documentation we deem necessary. Cash-out refinances not allowed under this pre-approval, but will be considered with a new application and using current underwriting guidelines. Dealer discounts and factory rebates, if any, must be shown on the purchase order. Discounts and rebates, if any, will be subtracted from the base price of the car when calculating the loan amount. Liability or comprehensive collision insurance premiums may not be included in the purchase price, but insurance must be provided by you. The term is up to 60 months, and loan-to-value ratio must be within credit union guidelines. This pre-approval is valid through October 31, 2016, and may not be used to refinance an existing Xceed Financial auto loan. This pre-approval is valid up to the maximum loan amount stated only. Pre-owned vehicles and refinance for model years 2006-2016 only. You agree to sign any documents required to create a valid loan and security agreement prior to issuance of the loan proceeds. This pre-approval is valid for use if your credit has not materially changed since this offer was established. You authorize us to gather whatever credit information we consider necessary and appropriate from any source and to give information regarding your credit experience with Xceed Financial to others. If you request this pre-approval after the expiration date, the pre-approval will be treated as a regular loan request subject to regular underwriting criteria. This pre-approval is not transferable. You must be an Xceed Financial member in good standing to take advantage of this offer. All registered owners of the vehicle must be either the named person on this pre-approval or additional persons qualified to borrow under the credit union's policies. The vehicle title must reflect Xceed Financial Federal Credit Union as the lien holder. Vehicle may not be a "Lemon Law Buyback," "Grey Market," and/or "Salvage" title vehicle. Any registration renewal fees owing within 60 days must be paid at time of loan. Additional documentation may be required. A complete auto loan disclosure will be provided to you upon acceptance. | The annual percentage rate (APR) is subject to change and will be calculated by adding a margin to the Index. The Index is the highest Prime Rate as published in the "Money Rates" table of The Wall Street Journal on the last business day of the calendar month ("Index Date"). The APR may increase if the Index increases. An Index increase will result in a higher interest charge, and it may have the effect of increasing the periodic minimum payment. A decrease in the Index will have the opposite effect as an increase. An Index increase or decrease may cause changes in the APR effective the first business day of the third month following the Index Date. The APR can increase or decrease monthly. Current rate as of April 8, 2016. The margin for purchases, cash advances, and balance transfers is 5.74%, and the maximum APR is 18%. | |
