

Congratulations on your new loan!

STCU has provided the financing for your recent purchase. Please watch your mail for a **welcome letter** from the credit union. Your new loan comes with automatic membership!

Your welcome letter will include details about your loan and **how to make payments** to STCU. In the meantime, please ensure your vehicle insurance agent adds your new vehicle to your policy, with STCU listed as the lienholder. And feel free to contact STCU with any questions about your loan.
