

Membership has its benefits.

Here are **100** of them.

Welcome to STCU! Let the benefits begin. Starting with this \$100 bonus offer.

As a member of our not-for-profit cooperative, you're entitled to some perks: free checking, great rates on loans and savings accounts, service that our members love, and lots more. Open a free STCU checking account with a free STCU debit card, and **we'll deposit \$100 in your checking account if you also add one or more of these services:**

Direct deposit of your paycheck or retirement income to your STCU checking account.

A new loan (besides your current vehicle loan) of at least \$5,000.

A new STCU credit card with a balance transfer of \$2,500 or more.

Put your perks to work! Stop by any STCU branch location or call us today.

mk0550-03-1016

Federally insured by NCUA.

*There's no minimum checking account balance required to earn your \$100 bonus, but you must meet the requirements within 30 days of your auto or recreational vehicle loan funding. Notify STCU when you meet the qualifications, and we'll deposit \$100 into your checking account within 10 days. (However, if you're setting up direct deposit, we'll wait to verify your first automatic deposit before we deposit your bonus.) This offer may end at any time and is subject to change.
