

# An Invitation to Mission Possible

As part of LIFE 2016, you and your guest are cordially invited to experience the transformation that has occurred in the movie industry. Cinepolis has transformed the movie-going experience with luxury theatres – leather recliners, reserved seating, in-theater waiters, and online reservations.

Your MISSION, if you choose to accept it, is to RSVP for two complimentary tickets to Cinepolis and go experience this transformation!

Then, tell us what you enjoyed most about this new movie-going experience and be eligible to win \$100.

To RSVP, go to Online Tools > Marketing > Movie Experience Sign Up by **February 29**. Your pre-paid tickets will be delivered to you the first week of March. You can then redeem them online for the movie of your choice.

This is an optional unpaid activity. Enjoy!

**RSVP by Feb 29**

We'd like everyone to experience the transformation, however we realize Cinepolis locations are limited. If the drive does not fit into your schedule, we'd still like to offer you the enjoyment of a movie. Please register instead for two tickets to an Edwards theatre. Thank you for Putting People First!
