Sail Away with CU1!

CU1 Invest in the **Adventure Moments**

Living in Alaska, fishing and boating are available at our fingertips. What luck! For many people, an adventure on Alaska's rivers, lakes, Prince William Sound or Gulf of Alaska is a once-in-a-lifetime experience – but with help from CU1, you could own your very own vessel for on-water exploration.

The trick to scoring the boat you want, big or small, is first to plan what you'll use it for. Once you have an idea of activities, start scoping out what's available! CU1 offers boat loans in whatever range your pocketbook allows, and we have low, affordable interest rates to match. Pair our great rates with flexible terms, and you're on your way to the water!

Even though the weather is still chilly, now's the time to research your summertime purchase. This way, you'll have plenty of opportunity to identify which type of boat you want and line up a pre-approval for when you're ready to purchase. Don't miss a minute of prime boating time this year – talk to a CU1 loan expert today!
