I love my Ford F-150 because it's my first vehicle! It gets me everywhere I need to go and I look good driving it, too! #LoveMyRide

I enjoy keeping my car really clean.

My Little Yaris, is the perfect little car for me. Going above and beyond the manufactory's MPG with highway driving maxing out at 51 MPG cruising the desert highway to East ward to Mammoth Lakes or North to Shasta Lake. Fold down the back seat, when I go camping and my little 5'3 frame has no need to buy a tent, plenty of room for Skippie and I. This little 2008 4 cylinder Yaris has now clocked 195,000 miles and still going strong, regardless it has been rear-ended twice, side swiped while in parting lots, and the deer at work like rubbing their antlers on the door panels. She has been through a lot, and keeps on going for; Life is good and God is great! and that is why I #LoveMyRide

For the last nine years, I've traveled in comfort and style in my MKZ. #LoveMyRide

My Dodge Journey is the right interior size for me and my family of 5! It has a good entertainment package also to keep my sons busy while me and my husband drive around town. I am glad it is not flooded with all of this Houston, TX rain!

Love my Prius- low fuel and maintenance costs!
Helps me feel like a good steward of my dollars!

It's a great car ... all wheel drive, rugged, and fun.

My Edge Sport makes feel cool even though I'm a pastor. And it helps me transport my bikes to great places to ride.

This is my 1995 Honda Civic, and I LOVE my Honda! By far my favorite car I've owned. The thing I like most about my Civic is how much money it saves me. I drive about 1,500 miles each month, but this little car averages about 58 mpg! Saves me \$100 at the pumps every month compared to my truck.

I love my new Subaru - great look and gas mileage! And thanks to CCCU for making it affordable with the loan #moondoggienme #lovemyride

I love my ride, it is one of the most dependable vehicles made.

My PT Cruiser makes every day feel classy.

This car gave me 14 years of great service. I'm saying goodbye, it's headed for a new home. 197,000 miles and daily trips up the 605 to Irwindale. Awaiting my new car. Hoping Autoland finds it today.

I #LoveMyRide because I get to go explore...love my ride and California!

You said so

Makes me feel like I'm 25 again!

This is my first car only my signature on...

I love My ride because My rate is as low as 1.9 with Christian Community Credit Union

I love my ride, because I bought it myself. She has kept me safe, has enough room to move stuff, keep stuff, and fit the whole family! I need a new one soon because she's catching up on those miles. But grateful for what I have!

I love my ride because it is extension of who I am. It takes me where I want to go, when I want to go and never lets me down!

low interest

#LoveMyRide it's like Doctors Who's tardis! We can get my mom with her mobility scooter, my two foster daughters, my 18 year old daughter, and myself in this beauty for fun road trips! Couldn't have done this with CCCU.

This was taken when my '96 Honda Civic turned over 200,000 miles about a month ago. Still get 35 mph around town! #LoveMyRide!

It holds our family of 8 and eases the claustrophobia on long trips. I call it our family limo!

I #lovemyride because it IS the ultimate driving machine.

#lovemyride cause it has HD radio, so I can listen to KRTH 2 hd and really hear the oldies; plus it is a safe car!

This ride takes good care of us, with it's endless supply of old cheerios under the seats.

I love my ride because it fits all my siblings and I for awesome vacation trips!

This is my taxi to Catalina island where I get to spend quality time with my family.

I love my ride because it helps me utilize time efficiently from running errands, fetching my wife, attending church functions to getting to work! God is great! Thank you Christian Community Credit Union for allowing this to happen! ????

It gets me where I need to be ("the-yuh from he-yuh" as we sometimes say in Maine).

My Tacoma can haul just about anything.

I love my ride because it takes me everywhere I want to go. It is my favorite color. It is fast. It is affordable. God has blessed me with with this car. I would not have this car without His Provision. He has truly blessed me. #LoveMyRide

I love my Honda Odyssey ride because it takes me and my family where we need to go and keeps us safe!

I love my car because it has enough room it is great on gas mileage! #LoveMyRide

Love my new ride, feeling happy and responsible

I love my ride because it was my first car and my gonna have it forever. I learned how to drive stick shift in and I will one day gift it to my son as it has been gifted to me

I #LoveMyRide because it has been very faithful over the years. It has transported many neighborhood children to church week after year. It has taken our family on vacation and been the catalyst for many family vacations. Especially since this may be the last picture I take with this aging car,

I #LoveMyRideâ€¦ a clean-air, fuel-efficient vehicle which allows me to use the carpool lane. See my sticker? Cuts down my commute time!
John Walling, Pres./CEO Christian Community Credit Union

Best financing available, and love the fact that some money collected goes to support missions.

It's all I got.

It's blue!

I love my ride because it connects me with a dimension of joy and safety!

Memories with all the family together in the "big van"

This is my, "I don't wanna grow up..." car. I had it wrapped to resemble the Little Tikes Cozy Coupe. I get so much joy seeing the smiles it brings to the faces of others when I am driving it.

#LoveMyRide and couldn't mean it more! Christian Community Credit Union helped me afford the car of my dreams! Long commutes to work are my favorite now that I have a fabulous sunroof and bluetooth connects right to my phone. The best part about bluetooth is that it enables me to listen to devotions whenever I am riding around. My Elantra has quickly earned nicknames and endearments, such as blueberry, because it is simply the perfect fit for me! Thanks a million Christian Community Credit union!!

As a family of nine, we need as much space as we can get. With a loan from CCCU, we were able to upgrade to a vehicle we could all fit in and still invite a friend!

Close to 40mpg and classy!

This ride has helped me to bring the Peace and the Presence of God into situations where there was anything but. This ride has also saved lives on the Highway's and Interstates because unless your Law Enforcement your not sure what a Police Chaplain is. I've seen cars approaching at high rate of speed slow down.

#LoveMyRide because without it, I wouldn't be able to do daily life like I do. The Lord has allowed such great opportunities for me to be a part of, and without this car I don't know how likely I would have been able to get to join those opportunities. Super thankful to the King for such a great gift.

#LoveMyRide we just bought on Tuesday! We looked at a lot of different cars, but the Lord showed us which one He wanted us to have- He knows me better than I know myself. It feels great to have a reliable family vehicle. CCCU helped make the process smooth and easy and at a great rate! Much love from SC :)

#LoveMyRide as i get to do Ministry work with my wife and get to travel to different states on Jesus's Harleys!!! souls for Him & & &

Whether I'm skiing, hunting, or getting woodchips for my garden, my 4X4 (Marine Corps Scarlett) will always get me there!

I #LoveMyRide because it's dependable, especially for holiday travels. Happy Memorial Day!

i #LoveMyRide! because it's been my dream car since 20yrs ago or so (TL). It's sleek and powerful. Love it!

I love my ride because it gives me the opportunity to participate in charity bikes rides by taking me all over town. The shirt I am wearing is my team shirt from this year BP MS150 bike ride. I also participate in Lions Club, Bridgewood Farms, Bike Around the Bay, and others. #LoveMyRide

My ride gets me everywhere I need to, and want to be! Comfy, reliable, and cute too! That's just a few reasons why I love my ride!
